REFUND POLICY: As provided for in NRS 394.449

1. Each postsecondary educational institution shall have a policy for refunds which at least provides:

(a) That if the institution has substantially failed to furnish the training program agreed upon in the enrollment agreement, the institution shall refund to a student all the money the student has paid.

(b) That if a student cancels his or her enrollment before the start of the training program, the institution shall refund to the student all the money the student has paid, minus 10 percent of the tuition agreed upon in the enrollment agreement or \$150, whichever is less, and that if the institution is accredited by a regional accrediting agency recognized by the United States Department of Education, the institution may also retain any amount paid as a nonrefundable deposit to secure a position in the program upon acceptance so long as the institution clearly disclosed to the applicant that the deposit was nonrefundable before the deposit was paid.

(c) That if a student withdraws or is expelled by the institution after the start of the training program and before the completion of more than 60 percent of the program, the institution shall refund to the student a pro rata amount of the tuition agreed upon in the enrollment agreement, minus 10 percent of the tuition agreed upon in the enrollment agreement or \$150, whichever is less.

(d) That if a student withdraws or is expelled by the institution after completion of more than 60 percent of the training program, the institution is not required to refund the student any money and may charge the student the entire cost of the tuition agreed upon in the enrollment agreement.

2. If a refund is owed pursuant to subsection 1, the institution shall pay the refund to the person or entity who paid the tuition within 15 calendar days after the:

(a) Date of cancellation by a student of his or her enrollment;

(b) Date of termination by the institution of the enrollment of a student;

(c) Last day of an authorized leave of absence if a student fails to return after the period of authorized absence; or

(d) Last day of attendance of a student,

↪ whichever is applicable.

3. Books, educational supplies or equipment for individual use are not included in the policy for refund required by subsection 1, and a separate refund must be paid by the institution to the student if those items were not used by the student. Disputes must be resolved by the Administrator for refunds required by this subsection on a case-by-case basis.

4. For the purposes of this section:

(a) The period of a student's attendance must be measured from the first day of instruction as set forth in the enrollment agreement through the student's last day of actual attendance, regardless of absences.

(b) The period of time for a training program is the period set forth in the enrollment agreement.

(c) Tuition must be calculated using the tuition and fees set forth in the enrollment agreement and does not include books, educational supplies or equipment that is listed separately from the tuition and fees.

5. As used in this section, "substantially failed to furnish" includes cancelling or changing a training program agreed upon in the enrollment agreement without:

(a) Offering the student a fair chance to complete the same program with a demonstrated possibility of placement equal to or higher than the possibility of placement of the program in which the student is enrolled within approximately the same period at no additional cost; or

(b) Obtaining the written agreement of the student to the specified changes and a statement that the student is not being coerced or forced into accepting the changes, unless the cancellation or change of a program is in response to a change in the requirements to enter an occupation.

Any refund due to the student will be based on the prorated number of classes attended of the thirty (30) classes required for the entire course. **ONCE THE STUDENT HAS ATTENDED 60% (OR 18) OF THE REQUIRED CLASSES NO REFUNDS WILL BE GIVEN FOR ANY REASON.**

Example:

Student attends six (6) classes, 6 divided by 30 = .20 or 20%

Student obligation = \$529 x 20% = \$105.80

Student refund = \$529 - \$80 = \$423.20 refund

3-DAY CANCELLATION POLICY:

If a student cancels his or her enrollment before the start of the training program or no later than three (3) days after signing the Enrollment Agreement, the institution shall refund to the student all the money the student has paid. Cancellation may occur when the student provides a written notice of cancellation to the campus. This can be done electronically, by mail, or by hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and, however, expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.

STUDENT GRIEVANCE AND APPEALS:

Our academy is dedicated to the fair treatment of and professional conduct with students. This policy and procedure pertains to grievances of a various nature including but not limited to: academic, discrimination, harassment, and bullying. Should any student have a complaint, the student is asked to discuss the matter with the Nevada Director/ School Official who will engage in an informal process to settle the dispute in good faith. That informal process will involve three steps:

1. Define the problem
2. Identify acceptable options for resolution

If, because of these discussions, the student does not feel that the issue has been satisfactorily resolved, the student can file a formal complaint to the Nevada Commission on Postsecondary Education at www.cpe.nv.gov.
